The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding a Model: C4.4GC 60 Hz 208-volt natural gas emergency generator in fiscal year 2025. The entity to receive funding for this project is Gibson County Mayor Office, located at 1 Courtsquare Suite 200, Trenton, TN 38382. The funding will supply the Emergency Operations Center with a new natural gas emergency generator. The Center houses the main offices of first responder disciplines, such as the Gibson County Emergency Management, Gibson County Fire Department Office, and the Gibson County Emergency Medical Services. In addition to the first responder services, the facility contains the Central Control office, HAM operator room, and radio communication devices. This project is a valuable use of taxpayer funds by offering continued communication within the local and state government for response and recovery efforts.

The project has a Federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for considering my request. If you have any questions or concerns, please feel free to contact me or my staff at (202) 225-4714.

Sincerely,

David Kustoff
Member of Congress
