The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-307 The Capitol

Dear Chairman Cole, and Ranking Member DeLauro:

I am requesting funding for local roads relating to the future Savannah Marina project in the fiscal year 2025. The entity to receive funding for this project is the City of Savannah, Tennessee located at 140 Main Street Savannah, TN 38372. The funding will be used to improve existing roads and provide expanded usage of active transportation and reduce vehicle dependence through easier access to aquatic transportation via the Tennessee River Federal Waterway. This project also will increase access to essential destinations like places of employment, healthcare, grocery stores, schools, places of worship, recreation, and parks through anticipated economic investments across the community as the Savannah Marina project is fully completed.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for considering my request. If you have any questions or concerns, please feel free to contact me or my staff at (202) 225-4714.

Sincerely,

David Kustoff
Member of Congress
