The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations
H-307 The Capitol
Washington, DC 20515

Dear Chairwoman Granger, and Ranking Member DeLauro:

I am requesting funding for Snow Removal Equipment (SRE) Building Design-Build at Memphis International Airport in fiscal year 2024. The entity to receive funding for this project is Memphis-Shelby County Airport Authority at 2491 Winchester Road, Memphis TN 38116. The funding would be used to complete a combined Design and Construction (Design-Build) of a Snow Removal Equipment (SRE) Facility for storage of snow removal equipment. The project is an appropriate use of taxpayer funds because MEM is the number two cargo airport in the world and number one in North America. The benefit is to protect the significant investments in the snow removal equipment and to help ensure that cargo and passenger operations aren't impacted during the winter months.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for considering my request. If you have any questions or concerns, please feel free to contact me or my staff at (202) 225-4714.

Sincerely,

David Kustoff
Member of Congress
